ORDER

This case was recently transferred from the United States District Court for the District of Utah. (Doc. 97). Soon after the case was transferred, this Court scheduled a status conference for Thursday, April 4, 2024. (Doc. 102). Plaintiff has since objected to the transfer of this case and filed various motions in the United States District Court for the District of Utah regarding the propriety of the transfer. Counsel for Defendants is hereby **ORDERED** to file a status update in this Court once Plaintiff's pending motions are ruled upon by the United States District Court for the District of Utah.
